

PROMOTING INCLUSION AND ACTIVE PARTICIPATION OF EUROPEAN YOUTH ON DECISION-MAKING PROCESSES

Project No: 2023-3-EL02-KA154-YOU-000184071

Introducing IncludeYOU

We are proud to launch IncludeYOU, an Erasmus+ KA154-YOU project dedicated to promoting inclusion and strengthening the participation of young people in democratic life. The initiative directly supports the EU Youth Strategy 2019–2027 and responds to Youth Goal #9: Space and Participation for All.

The project brings together young people, policymakers, and civil society actors to create meaningful opportunities for youth to participate in civic processes, develop their competences, and shape policies at local, national, and European levels. By ensuring that all voices, including those of young people with fewer opportunities, are heard, IncludeYOU builds a more inclusive and democratic Europe.
